

Prismatic and School District Performance Review

Need help doing more, doing it better, and optimizing your resources? Since 2007 we have been helping schools and districts do exactly that.

Prismatic's Consulting Areas

Also called efficiency studies or operational audits, we have conducted dozens of school district performance reviews. We have completed reviews using the Yellow Book audit guidelines, as well as the various review protocols required by a number of states. All Prismatic projects incorporate four pillars:

- Standards
- Leading Edge Tools and Technology
- Personalized Service
- Low Overhead

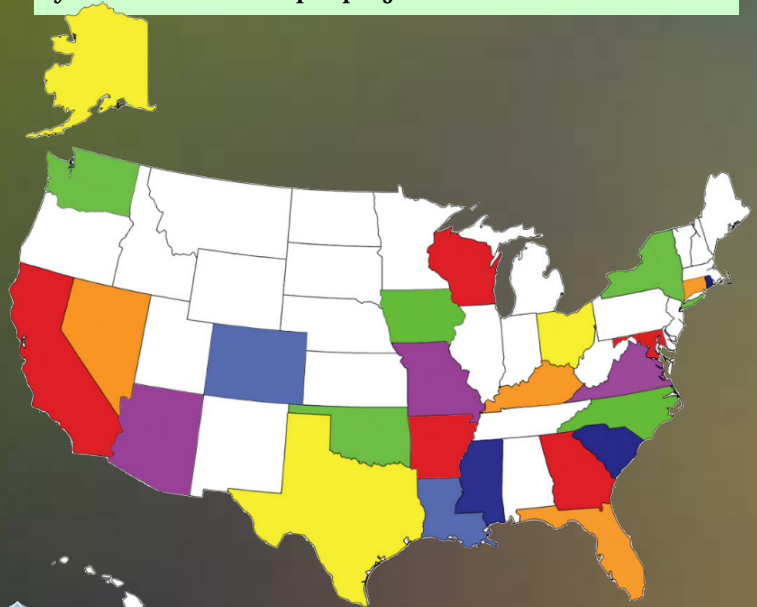

Our review teams are always composed of subject matter experts with decades of experience. We have the skills and tools to help you improve your organization.
